

AEROPUERTO INTERNACIONAL REINA BEATRIX

now has its own logo.

Aruba Airport Authority N.V. (AAA) company that manages and operates Aeropuerto Internacional Reina Beatrix is excited to introduce an official logo for the airport, separate from the authority.

The logo is very representative of Aruba and one that the people of Aruba can relate to.

ALOE VERA:

Aloe Vera is one of Aruba's oldest source of income. This plant was the most substantial product distributed world-wide from Aruba. To make a commemoration to this, the plant is included as a national symbol.

THE SUN:

With year-round sunny days in the Caribbean, the sun is important for the tourism of Aruba. Tourists keep coming back because of our climate.

INTERNATIONAL AIRPORT CODE:

AUA is the international airport code used for Aeropuerto Internacional Reina Beatrix.
